Applicant for:

# Java Backend Developer – Mobile Banking

TPIsoftware Co., Ltd
17 June 2024

---

## Nguyễn Anh Tài

✉ ngynanhtai@gmail.com

Main interests: Java, Spring

### *What skills, work projects or achievements make you a strong candidate for this position?*

I am a software engineer with 2 years of experience developing software in many different fields such as insurance and finance. I've worked in both outsourcing and product companies.

My expertise is Java but I'm always open to learning new things. I will learn the business immediately if I have the opportunity because the technologies are always changed and the business will be beneficial in the future.
